

Community Newsletter

Happy December and Happy Holidays. We have officially made it through hurricane season. The holiday season is here and the island is all dressed up for the celebrations. I do hope you take some time to go about the island and see all the beautiful decorations throughout the area. Do you have your decorations up? When you do please remember that no live trees are to be in the building. Watch those candles too and make sure that nothing is near any flames that could catch fire.

There is a Toys for Tots donation box in the lobby for new unwrapped toys. Any donations are appreciated.

We hope each of you have a wonderful holiday season and enjoy the excitement the holidays bring.

ANNOUNCEMENT

It is with great sadness that we announce the passing of Nikki Papadopoulos our neighbor and great friend who resided in unit 108. Nikki was a resident of Bay House for many years and will be truly missed by all.

BUILDING CLEANLINESS

Please keep our building free from trash. If you see loose plastic bags pick them up and throw them away properly. If you have a pet clean up after it. If you drop something pick it up. If you use a cart return it to the storage area.

Remember we must keep even the smallest amount of trash out of our beautiful bay.

GRILL OPERATION

After uncovering grill check the pellet bin on the left side and ensure it is full. Push power button on left panel, it will light up when on and move dial to the right to set temperature. For gas grill type grilling use highest setting. Close lid and allow to heat, once heated place food on grates. Once done clean grates and area underneath and re-cover once cooled.

CALENDAR OF EVENTS

December 9 at 6:30 pm- Lighted Boat Parade will be passing all around the island

December 12 at 4pm to 6pm - Making Spirits Bright Parade starting at Island Way Grill
