

Community Newsletter

May has arrived and with it warmer weather and plenty to share this season. Summer is going to be very busy with family and friends as well as some more improvements to our home. Make sure you stay aware of the work being done as well as the rules for our home. The rules are there to protect our community and us. If you have a question and cannot find an answer on the website, please check with a board member for the answer.

As the updates continue please take care of her so she will be around for us to enjoy many more years.

Remember this is our home and the guidelines are there to protect and assist each one of us.

ANNOUNCEMENTS

It is with great sadness that we announce the passing of Angelo Tambis. He will be missed by his friends and family at Bay House.

MAY BOARD MEETING

This is a big meeting with several updates and status reports and updates of ongoing and completed projects.

There are many new proposals on the agenda as well. Please attend in person or via the zoom link.

These are very important to our community.

ELEVATOR PROJECT

The elevator project is to start on May 15, 2023 and it will take approximately 9 weeks per elevator car.

The repair to the concrete in the elevator room has also been slated to repair soon.

CALENDAR OF EVENTS

May 6, 2023 - 6:00 pm Board Meeting Conference Room and Zoom

May 15, 2023 - Freight Elevator repairs are to start
