

# Community Newsletter

Happy December and Happy Holidays. We have officially made it through hurricane season. The holiday season is here and the island is getting dressed up for the celebrations. I do hope you take some time to go about the island and see all the beautiful decorations in the area. Do you have your decorations up? When you do please remember that no live trees are to be in the building. Watch those candles too and make sure that nothing is near any flames that could catch fire.

There is a Toys for Tots donation box in the lobby for new unwrapped toys. Any donations are appreciated.

We hope each of you have a wonderful holiday season and enjoy the excitement the holidays bring.

## BOARD OF DIRECTORS

We are nearing the time for anyone interested in running for the board to declare their intent. Please be on the lookout for the information coming to you in the mail.

## COMMUNICATIONS

Some residents have created a FaceBook group and it is called 644 Island Way and an Instagram called @644IslandWay. These pages are to help residents connect and share events and happenings in our community. The HOA Board is not affiliated with the Facebook or Instagram pages and this will not be official communication from the board.

## PARKING

Please be sure and park in your assigned spot and not in visitor parking. If you have a second car, it has to park on the street.

Do not park in the circle except for loading and unloading. The circle is for 15-minute parking and not for long term. Deliveries and emergency vehicles must be able to get to the door as needed.

## CALENDAR OF EVENTS

December 10 at 4pm to 6pm - Making Spirits Bright Parade starting at Island Way Grill

December 14 at 6:30 pm- Lighted Boat Parade will be passing all around the island
