Happy Valentine's Day!! This is the season of love. This is the perfect season to show yourself a little self love. Check those first aid kits and make sure you have all that you and your family will need. When compiling your kit, don't forget those bordem busters like a deck of cards, notepads, and pens.

Spring break is fast approaching so make your preparations now prior to the crowds coming in. This is also the time that we have lots of visitors in the building so be vigilant for safety and make sure the doors are shut behind you. When you are in the parking lots be safety aware and notice your surroundings. Make sure and lock your car doors and do not leave valuables in the cars. If you have to leave items in the car place them out of site or leave them in the trunk.

BOARD OF DIRECTORS

There will be a new board of directors installed for the coming year. If you are interested in being on the board, please consider it for next year.

If you wish to get involved, there are several committees you could join. You must be a resident and, on the deed, to serve. Remember it takes a village to run a community.

POOL AND GRILL

The weather is warming and time to grill out is here. Please read the directions for operation of the grill. This is a pellet grill, and you must supply your own pellets.

If you use the grill, you are responsible for cleaning it and recovering it after each use.

YARD SALE

The community yard sale is scheduled for March 1, 2025 from 8 am to 12 noon.

If you participate, you will need to bring your own table for your items. Set up will be near the visitor parking area.
