HAPPY NEW YEAR!!! 2023 is here and we hope everyone is ready for all the good things and improvements to the building that 2023 is bringing with it.

The elevator parts order process will begin this month. More information will be coming regarding the elevator repair as it approaches a start date.

The pipe repair will be getting started in late February and is tentatively scheduled for the twentieth. Be on the lookout for notices containing updates.

Please place your unit number on the correct roof unit for your air conditioner this month. This will take two people to complete, one on the roof and one in the unit.

BUILDING ENTRY

The front entry was painted yesterday and is now refreshed and ready for us to enjoy.

When leaving or exiting the building, please make sure the doors close behind you for our safety.

WELCOME NEW COMMITTEE MEMBERS

If you would like to be on a committee, write a letter to the board. Your involvement is needed.

HOLIDAY DECORATIONS

Thank you, John and Stacie (401) for decorating the building and getting the holiday spirit going.

Many residents have beautiful holiday decorations, take some time and see the building at night before they come down for the year.
